**Description:**

Freehand Dolce is a mild, fine coffee with a slightly spicy character and hints of nuts. This blend consists of a selection of the finest Arabica beans and is roasted to bring out the best aromas. A smooth coffee that is easy to drink and ideally suited for milk specialities. <br>Origins: Brazil, Colombia, Peru, Honduras, Vietnam. <br>Freehand coffee is a celebration of its origins. Beautiful artwork brings messages, secrets and riddles from the hearts of the countries where the coffee is farmed. Freehand drinkers embark on a journey around the world, unearthing new flavours and discovering new ways to enjoy coffee.
