**Description:**

Freehand Amor is a medium roast coffee with a fruity and floral aroma, which gives the coffee a nice aftertaste. This coffee is 100% Fairtrade and organically certified.   
Origins: South America.   
Freehand coffee is a celebration of its origins. Beautiful artwork brings messages, secrets and riddles from the hearts of the countries where the coffee is farmed. Freehand drinkers embark on a journey around the world, unearthing new flavours and discovering new ways to enjoy coffee.
