Description:

Bruynoooghe Extra Superior is a strong balanced blend that gives the coffee a very strong aftertaste. This dark roast coffee is characterised by nutty accents and nuances of citrus acidity.
Origins: Brazil, Sumatra, Antigua, Honduras.
From slow brew to espresso, as a barista or grandmother. Bruynoooghe coffee is as versatile and stubborn as you are. We go for the ultimate coffee experience by bringing together the best of different worlds. We combine tradition with innovation and connect generations.
