**Description:**
FairTea Yellow Lemon is an organic Fairtrade green tea. Green tea from China has been prized for its exceptional quality for over 4000 years. During blending, fresh lemon peels are added to this organic green tea. <br><br/>For FairTea we have selected hand-picked teas from famous tea gardens in China and Sri-Lanka. By using whole tea leaves, the taste and aroma are preserved as much as possible. In combination with deliciously fragrant herbs and spices, natural aromas and pieces of dried fruit, FairTea develops into a deliciously full tea. <br>FairTea is packed in a large kraft bag with a special closure that guarantees freshness and taste. This way we save on unnecessary packaging material. The tea bags are made of biodegradable soilon. This way, we create a more natural balance and together we reduce the impact on the environment. All FairTea is Fairtrade certified and where possible also organic.
