Description:

Puro Organic Chaparral (espresso) is a predominantly spicy espresso with a strong aftertaste. Ideal to serve with milk as with cappuccino or café latte. This coffee is 100% Fairtrade and organically certified. The capsules are compostable and biodegradable in an industrial composting plant.
These capsules are only compatible with Nespresso® coffee machines.
Every pack of Puro coffee proudly carries the Fairtrade label, the guarantee that the coffee farmers get a fair price for their coffee beans. With every cup of Puro coffee you drink, you also protect a piece of endangered rainforest. Since 2016, all CO2 emissions from producing Puro coffee have been offset.
